Be Made by Alumni
Group Tonight

James Campbell, president of the graduating class of Salem High school, and Lois Dilworth, vice president, will be awarded first and second scholarships respectively, at the 54th annual Salem High school association banquet and dance tonight in the Masonic temple.

Announcement of the awards given annually by the alumni group, was made by Principal W. J. Springer at the 72nd annual commencement program in the high school Thursday night when 181 seniors, comprising the largest class ever to graduate from Salem High school, received their diplomas.

Betty Ruth Lewis was chosen as alternate in the scholarship selections.

"A Training School"

Theme of the graduation last night was "Salem High School—A Training School for Citizenship." The graduates will be guests of honor at the Alumni banquet tonight when Dr. Thomas W. Graham, dean of the School of Divinity of Oberlin college, will speak. The reunion of old classmates will be another feature of the banquet.

The program will get under way at 5 p. m. A program of dancing will conclude the event.

A capacity audience, composed chiefly of parents and relatives of the graduates, attended the commencement exercises last night. Addresses during the program were made by four members of the class, chosen by their classmates.

Lois Dilworth spoke first on "Sociability." Helen Thompson gave an address on "The Role of Health." Zoia Slutz spoke on "The Spirit of Learning" and James Campbell, "Towards Leadership."

Atty. Joel Sharp, vice president of the board of education, acting in the absence of President E. P. Mullins, presented a diploma to the senior class president, symbolic of the 181 diplomas given a few minutes later to the other seniors in their home rooms.

Music On Program

The high school orchestra, directed by C. M. Brautman, and the high school chorus, under the supervision of Mrs. Ellis Satterthwaite, offered selections during the program.

Mr. and Mrs. Samuel Krauss Jr., the former a local graduate, contributed a portion of the musical program. They were presented by Supt. E. S. Kerr.

Mrs. Krauss sang "Still Is the Night" (Bohm). Mr. Krauss, who was the first leader of the Salem High school band, gave a trumpet solo, "Tussummat" (Rosini) and followed with an encore selection.

Principal Springer called the class roll. The invocation was made by Rev. C. F. Bailey, pastor of the First Friends church. Rev. Ian Robertson, rector of the Church of Our Saviour, pronounced benediction.

Decorations for the Alumni program at the Masonic temple to night were arranged by the Sophomore class, headed by Charles Wenz, president, and Miss Doris Shoop, advisor.

The Salem High school annuals were distributed among all students this morning when report cards were received.

Symphony for Three Years

Samuel Krauss, Jr., son of Mr. and Mrs. Samuel Krauss of Euclid st., and Mrs. Krauss are spending the summer in Salem, preparatory to going to St. Louis where Krauss next season will become a member of the St. Louis Symphony orchestra.

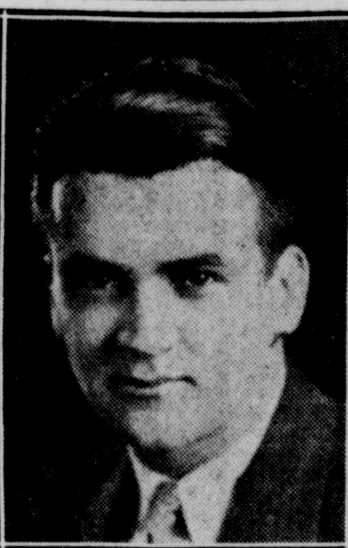

He has signed a three-year contract with the St. Louis orchestra, the advancement coming in recognition of his musical attainments in Philadelphia and other eastern points during the last few years.

Krauss is a trumpeter of first rank although his versatility in other musical lines is well known. He played with Salem High musical organizations while a student here. He went to Philadelphia in 1930 and was graduated from the Curtis Institute of Music there. During the summer of 1930 he was trumpet soloist with Frey's concert band at Ocean City, N. J. He also played first trumpet with the Curtis Symphony orchestra and in the summer of 1933 held a similar position with the Philadelphia Studio orchestra which played for one of the large radio accounts.

He also played with the Philadelphia orchestra during summer concerts at Robin Hood dell in 1934 and attained additional success as first trumpeter for the late Samuel Rothafel, better known as "Roxy," at the Roxy theater. During the season of 1935-36, he played first trumpet for the National Symphony orchestra in Washington, D. C.

At various times, also, he played for the San Carlo, Chicago Opera Co., and other traveling groups of similar renown in Philadelphia.

For two and a half years he was a member of the faculty of Peabody Conservatory of Music, in Balti-

more, one of the largest conservatories in the east, where he was instructor of trumpet and brass instruments in public school music.

Krauss expects to work with varied local musical organizations during the coming summer. He will be associated with the Finley School of Music here and he, together with F. J. Conway, who has had charge of the instrument department at Finley's for five years, will aid in the organization of a Salem Junior Symphony.

Both Mr. and Mrs. Krauss took part in the musical program presented at the high school commencement exercises last night. Both will appear also on the program to be given at the Alumni association banquet tonight at the Masonic temple.

LISBON SCHOOL
GRADUATES 82H. L. Gorrell of Massillon
Speaks at Commence-
ment Exercises

LISBON, June 5.—Eighty-two seniors graduated from Lisbon high school Thursday night as members of the class of '36, the commencement exercises being held in the Presbyterian church.

The guest speaker was H. L. Gorrell of Massillon, president of the Northeastern Ohio Teachers' association.

Under the direction of Arthur Wise, supervisor of music in the schools here, the Lisbon school orchestra of 50 pieces gave a concert.

Miss Olive Mae Bean was the honor student of the class of '36 while second honors were awarded to Annetta McClintock.

MILLION MEN
IDLE; EUROPE'S
STRIKES GROW

Premier Leon Blum Ap-
peals to French Work-
ers to Avoid Disorder

URGES RECOURSE
TO LEGAL MEANS

Will Ask Parliament For
Collective Contracts,
Paid Vacations

(By Associated Press)
Almost a million workers in three European nations were out on strike today.

Weary officials, whose negotiations with employers and operators have resulted in only slight success, gave up attempts to estimate accurately the strikers' numbers.

Private sources gave these estimates, which were not officially confirmed:

France 500,000.
Spain 280,000.
Belgium 25,000.

By EDWARD KENNEDY,
(Copyright, 1936, The Associated Press)

PARIS, June 5.—The Socialist Leon Blum, premier, broadcast an appeal today to France's workers, 500,000 of whom are on strike, to avoid disorders, promising them he would try to pass a 40-hour week law.

He asked the strikers to be patient and to have confidence in him, and to try to obtain their demands by law.

In addition to the 40-hour week, he promised to ask parliament to vote authorization of collective contracts and paid vacations—the three making up the principal reforms "demanded by the labor world."

Urges Calmness

"Any panic and confusion," said the new premier, "would serve the dark designs of the enemies of the peoples front, among whom some already seek revenge."

"I swear, as chief of the government, to go to work with the calm strength which is a guarantee of new victories."

New strikes among workers in previously unaffected industries heightened labor problems of the new Socialist government.

Speedy settlement of disputes between employers and operators sent some workers back to their jobs but they were reported outnumbered by new strike recruits in other industries.

The strike spread to central slaughter houses in Paris where workers joined in demands for higher wages, collective bargaining contracts and a 40-hour week.

Midshipman J. P. Preston of Los Angeles, exercised the prerogative of the winning company's commanding officer, and chose Miss Julie Bishop (above) of Poland, O., to present the colors at the annual ceremony at the United States Naval Academy at Annapolis. His classmates agree that Middle Preston has a sailor's eye for beauty.

Bank Holdups In
Ohio Show Decline

COLUMBUS, June 5.—David M. Auch, secretary of the Ohio Bankers association, said the organization's records showed today a 25 per cent drop in the number of bank robberies in Ohio for the year ending May 26 over the period from May 26, 1934, to May 26, 1935.

During the latter period, Auch said, there were 33 robberies and seven unsuccessful raids, compared with 12 robberies and three failures during the 12 months ended May 26. Since Jan. 1, Auch said, there have been seven robberies and three attempted holdups in Ohio banks.

Canton Fireman
Killed In Fall

CANTON, June 5.—Fire Lieut. Russell E. Nungmaker, 44, fell 60 feet yesterday when an aerial ladder he was inspecting broke off at the base. He died two hours later of a fractured skull. Nungmaker was at the top of the ladder, attempting to show his superior officers how the ladder had a tendency to sway when the accident occurred.

Nation Pauses To
Honor Joseph Byrns

WASHINGTON, June 5.—Lying in state before the rostrum from which he guided the house of representatives through history-making times, Joseph Wellington Byrns today was honored by President Roosevelt and the nation.

High officials of the United States and foreign powers bowed their heads with Byrns' colleagues in congress as the capital paid its last respects to the dead speaker.

Sadly the new speaker, William B. Bankhead of Alabama, spoke to the mourning throng of Byrns' deeds and his sudden death early yesterday of a heart attack and cerebral hemorrhage.

"There was no littleness in the man," he said.

Adams Murder Case

LISBON, June 5.—A jury of eight women and five men filed out at 1:45 p. m. to deliberate the fate of Dudley Adams, 22, charged with first degree murder in the Christ-mas day slaying of Clarence Dick-ey, East Liverpool milk wagon operator.

Other candidates protest That Battle
Is Not Over

ALLIANCE, June 5.—Miss Nellie Steed of 716 N. Freedom ave., though for 10 years she was the wife of Leo P. Kapper, to whom she was "married" Dec. 7, 1926.

Judge Carl C. Hoyt of Akron disclosed this week, however, that the marriage didn't count as such because Mr. Kapper had a wife at the time, the real Mrs. Kapper having been "left behind" in Akron when Leo went to the war.

Mrs. Kapper waited 10 years for her soldier husband to return, then got a divorce and remarried. Leo believed his wife had divorced him in 1926, when he and Miss Steed married in Youngstown.

A year ago Mrs. Kapper met Mr. Kapper again and the complications became apparent. Mrs. Kapper divorced Mr. Kapper May 21.

It's all rather involved; but, anyway, Miss Steed knows she isn't married.

REPLY MADE TO
N. DEAL CHARGEKansan's Manager
Answers Blast from
Borah Camp

CLEVELAND, June 5.—With London leaders talking about a first-ballot nomination, and the managers for other Republican presidential candidates protesting that the battle still was far from over, the Kansas governor's organization replied today to charges that he had been too friendly to the New Deal.

John M. Hamilton, the Landon manager, said he didn't know of anyone who, as a matter of patriotism, didn't desire at first that the Roosevelt relief program succeed.

Object of Political Use

"But when it comes to the point where it was being used for partisan and political purposes, 'Hamilton added, 'that is different'."

While the Landon leader thus was replying to a statement from the Borah camp today, Governor Landon had endorsed the CWA and early-gathered a delegates to next week's big convention were in consultation.

The talk of the Landon men grew more and more confident. Representative Martin of Massachusetts, who will be the Landon floor leader, declared that if the "present swing" continued his man would go in on the first ballot.

Knock and Borah managers said they couldn't see it that way, and there was no sign that any other candidate was giving up.

Bachmann Answers Hamilton

Carl G. Bachmann, Borah campaign manager, asserted in commenting on Hamilton's statement: "I still feel that this is a Republican convention, meeting to adopt a Republican platform, and we should elect a candidate who can stand firmly on that platform."

Frank E. Gannett, Rochester, N. Y., newspaper publisher and prominent Borah supporter, called Landon first ballot predictions "ridiculous."

"It's ridiculous to predict such a thing now," Gannett observed. "It's entirely too early for anyone to know. Today's talk comes from leaders of factions who are making great claims to bolster up their people."

Pre-School Clinic
Planned Tuesday

Parents whose children will enter first grade in public and parochial schools in Salem in the fall are urged today by board of health officials to take their boys and girls to the high school building next Tuesday morning for a pre-school clinic.

The prospective pupils will be examined by local physicians and doctors. Miss Elizabeth Steer, school nurse, will be in charge.

Miss Steer announced that children from the Fourth Street and Columbia Street school neighborhood should report at the high school from 8 to 9 a. m. Tuesday; Reilly and St. Paul's school areas, 9 to 10, and Prospect and McKinley, 10 to 11 a. m.

Cow Blamed

URBANA, June 5.—Five persons were seriously ill today as the result of poisoning which Dr. H. O. Ogden laid to milk tainted by weeks eaten by the family cow. The victims were Mr. and Mrs. Pearl King, their son, William, a maid, and Mrs. Thomas Hutchins. Called in as a nurse when the others became ill, Samples of the milk were sent to the state health department for testing.

Safety Last

DES MOINES, Ia., June 5.—The police here sought to determine if William Benjamin's car complied with safety laws said they found he had no driver's license and that the car had no brakes, no headlight bulbs or lenses, no horn, no windshield wiper, no rear warning and an improper wheel alignment.

The rear vision mirror was O. K.

DEATH INTERFERES

It is dangerously easy to forget that death is the
unseen member of every conference. An abrupt re-
minder was given to all Americans by the wholly un-
expected passing of Joseph Byrns, speaker of the
national house of representatives.

In an instant, plans for adjournment of congress
this week were destroyed. If only for reasons of
formality, representatives and senators will not leave
Washington in a Saturday night rush. Respect for
Speaker Byrns will hold them in the city.

The Roosevelt administration's legislative leader-
ship group has been robbed of a vitally important
member. The late speaker, who reached his position
by the slow but thorough preparation of a quarter of
a century of waiting for a sufficient accumulation of
seniority, understood his job well. He was an unify-
ing influence.

Had death struck at Rep. Byrns earlier in the
congressional session now closing, it might have
made a material difference in the course of legisla-
tive action. It will be noted that Rep. Byrns, who
was proud of his leadership of the congressional
campaign which gave Democrats a majority in the
house, probably has missed the decimation of the
unwieldy membership which he helped to control.

An increasing number of Republicans might have
made his task even more difficult in the next session.
Speakership of the house has become a hard job,
made dangerous by the fact that the incumbent is
likely to be a man of advanced age. Rep. Byrns,
possibly, was a victim of strain. Congressmen get
accused of many things, but no one justly accuses
a congressional leader of enjoying a sinecure. The
speaker of the house, in fact, commonly is conceded
to be, next to the president, the most important
individual in the American political system.

SUCCESSOR

To William B. Bankhead of Alabama, majority
leader in the house of representatives, falls the task
of succeeding the late Speaker Joseph W. Byrns. He
was elected at a session of the house Thursday
which lasted just 17 minutes.

This soft spoken Alabamian is a veteran of the
house. Elected to the 65th congress in 1917, he has
been returned from the same district ever since. In
that time, he has come to be regarded as one of the
ablest parliamentarians and strategists in the lower
chamber.

Absent from official duties most of last year be-
cause of a heart ailment, he returned this year to get
in the thick of the fight. Although he contested with
the late Rep. Byrns for the speaker's honors, he is
credited with being an enthusiastic new dealer and
with having cooperated with Mr. Byrns in piloting
the administration's program through congressional
seas.

Political friends and opponents will wish him well
in his difficult duties. Because he has been ill so
recently, they will be happy to reflect that the im-
minent adjournment soon will give him time in which
to rest and gain strength for the tasks ahead.

THE PACE QUICKENS

The political experience immediately ahead is like
a carnival seen and heard from a distance. There is
an exciting blend of sounds and sights which will be
separated into distinguishable entities in a few more
steps.

Thus, it will be found that there are many bands
playing, instead of only one. The roar is composed
of at least a half dozen barkers all splicing at once.
It's all novel and fascinating. There are so many
things to look at and to hear that much of it is
bound to be missed entirely.

A little later on, some of the things which are
exciting now will become commonplace. Before the
campaign is over, politics is going to be worn
threadbare with over-exploitation. The country will
be ready for the rest which it was denied after the
1932 election.

As the political carnival gets ready to go full blast
the national pace quickens in anticipation. The
campaign really began early this year when speakers
on opposite sides started to exchange pleasantries.
Yet, it was bound to be a relatively pallid affair until
the Republican convention. The time has flown by
quickly and the convention is about to open. At
last, it can be said without any reservation that the
presidential campaign of 1936 is under way.

THE STARS SAY

For Saturday, June 6

A lively and interesting day is presaged from the
very dynamic positions of the planets in connection
with the sun. These may have a tendency to energize
and stimulate all the forces and faculties as they
relate to the various departments of human ex-
pression. In business there may be gainful reactions
to good news or in connection with publication, ad-
vertising or promotional campaigns.

Those whose birthday it is may expect a very lively,
progressive and fairly prosperous year, with new
projects favored and all pertaining to writings, pub-
licity and promotion flourishing.

A child born on this day may be talented, versatile
and intellectual, also practical and energetic. It

should succeed through writing or those businesses
having to do with it.

O. O. MCINTYRE

NEW YORK DAY BY DAY

NEW YORK, June 5—Thoughts while strolling:
Wonder if Wally Beery ever met Berry Wall? For
oblivion: Swing music. Peter Arno continues his lead
as ace of the sophisticated sketchers. Roy Howard, the
E. flat cornetist. Talk of the horse set: Mrs. Byron
Foy's high buttoned shoes and Mrs. Orson Munn's
sun parasol.

Prediction: Chaplin will wind up his career with
a serious film drama. New York's nearest to the Mona
Lisa flick of dry smile—that of Neysa McMein. And
for an expansive grin no one can top Eugene Kelecy
Allen. Add trusting faces: Walter Huston's.

For the Look the Same as They Did 15 Years Ago
Club: Arthur Brisbane. How lonely every one who
knew him feels when thinking of George Buckley.
What's become of Irene Bordoni? Not many since
the late William F. Brann can be so angry in print
as Henry L. Mencken. Study in calm: Burns Mantle.

Patsy Kelly's name for a shoe horn: A heel-getter-
in. Lady Furness ought to be well singing a torch
song. Nobody can look more the imperious lady than
Mrs. Oliver Harriman. Manhattan's deathless cry:
"Step on it!" No wonder France won't pay us: The
Salon Azure at the Coq Rouge is renamed Jardin
d'Ele.

Choice for King of the Stuffed Shirts: Nicholas
Murray Butler. Buddy Rogers didn't let a film eclipse
end his career. So many have. Add Broadway come-
backs, too: John Steele, the tenor. The Havana Post
calls this the wonder column. The wonder is, I sup-
pose, that I get paid for it.

New York newspaper women are far more efficiently
organized than the men. Their yearly Front Page
Ball is a caper that brings out the biggies from a
quarter of the First Lady in Washington to the reigning
authors and stage stars. Also there is a camaraderie
among the lady writers in New York that is unknown
to their brothers.

John Chapman, the columnist, finds an amusing
reaction among sophisticated first nighters. In a
dancing musical show Tamara Geva does a big ballet
scene. It is a travesty and the only realization that
it was came from the guffaws in the balcony. In
another musical revue there was a bizarre rhinoc-
eros number, designed to be so blatantly overdone
that it would forever end those glittering spectacles.
Yet the top drawer premiere audience accepted it
with a gasp as a beautiful scene. One of the critics
muffed the burlesque idea.

William Allen White on his occasional visits to
the metropolis is usually the target for several inter-
views and follow-up feature stories. But there is one
conservative afternoon paper that never mentions
him by name. The feud goes back to a nippy quarrel
he had with a former publisher, now dead. The pub-
lisher ordered that the Emporia editor's name be
forever banned from his newspaper. Although the
ownership has changed, the order is still enforced.
On his most recent visit, when the paper was almost
obliged to quote him, he was referred to "as a friend
of Governor Landon."

James Gordon Bennett had a penchant for outlaw-
ing names of enemies, and there was a Sacred Cow
list in the Herald editorial rooms a foot long. But
he often relented, and their permissibility was re-
stored by cable from Paris. There was one phrase
that to Bennett, however, was anathema. It was the
hyphenated "dinner-dance." He insisted it should be
dinner and dance and woe unto the violator thereof.
He was irritated, too, by reporting that someone was
"on a ship." He insisted it should be, to be correct,
"in a ship."

Bing Crosby coming East for his vacation and
bringing his string of race horses as well as a maid
for his wife, a governess and nurse for his children
and his own private secretary, is something for the
students of American Opportunity. A little more than
six years ago Crosby's name was lost in the collective
billing of The Three Rhythm Boys. He was the one
who tapped a cymbal with a tenor drum stick while
beedle-de-bohing as a feature between tunes of the
Paul Whiteman orchestra. Today he's reputedly a
millionaire and on top of the world.

DIGITALIS TREATMENT

CONSTANT ATTEMPTS are made
by the medical profession to warn
the public against dangers of self-
medication. Yet laymen continue to
use dangerous drugs to get rid of
discomfort and pain.

Only the other day I overheard
a lay person recommend
digitalis for the relief of
shortness of breath suffered
by her friend. Without first ex-
amining the patient, even a
physician would not prescribe dig-
italis.

All of us know
that digitalis is
used in the treat-
ment of heart
ailments. It is
one of the most
valuable of all remedies, extensiv-
ly used in restoring weakened heart
muscle.

Digitalis has been used for years.
But it is only within the past quar-
ter of a century that it has been
so standardized as to make it safe.

As early as 1785 an English physi-
cian, William Withering, first an-
nounced the curative value of digi-
talis leaves. He had learned that
they were helpful in the treatment
of certain cases of dropsy, which
were undoubtedly due to heart dis-
ease. For years before that a well-
known "herb" woman in England
used these leaves in the treatment
of similar disturbances.

Heaps Heart
Of course, there was skepticism
and hesitation about accepting a
drug originally sponsored by a
woman believed to be a witch. It
made it still more difficult for the
medical profession when it was
learned that several persons died
from the effects of this medicine.
But at that time little was known
about how to prepare digitalis, and
the early preparations of the medi-
cine were made in a crude way.

You won't forget, I am sure, that
digitalis should never be used un-
less prescribed by a physician. Not
by any means do all cases of heart
disease require digitalis. In fact
some patients are made worse by
taking this drug.

When properly employed digitalis
helps the condition, enabling the
contractions of the heart to act
more strongly and efficient. In ad-
vanced cases of heart weakness it
relieves difficult breathing, short-
ness of breath and swelling of the
ankles. These signs are particularly
noted in elderly persons who have
heart weakness.

...which confront them daily, and with which they must deal. This system provides an excellent basis for Leadership Training which is very necessary in our community. One must always be able to react quickly, pleasantly, efficiently to any situation which arises.

Each of our classes and clubs is organized with a group of officers at the head. The class is subdivided, as occasion arises, into chairman and committees each of whom has specific duties to perform. It is the ideal of Salem High that the teacher should stay in the background as an advisor and counselor and the students should take it upon themselves to carry out all projects. Pupil participation in the numerous activities offers an excellent means for the development of Leadership. Real problems are to be met here: The development of a satisfactory school program, the influencing of the pupils of the school in matters of policy, and the opening up of new fields of interest. The opportunity to practice the fine art of speaking in public as here found for a committee-man is constantly called upon to explain the project and to be forceful enough to gain a response. Out of this opportunity grows the responsibility belonging to Leadership.

The high school group delegates authority to those who speak only to it but for it, and it demands a high standard of accomplishment among those thus representing it.

In our debate squad we find the debaters developing the ability to win approval. They learn to appear in public and to express themselves fluently. Of the great qualities of Leadership that one must possess, the ability to communicate thoughts to others is the foremost. To the man who can express his thoughts in words in order to influence others, society gives its greatest reward, providing his ideas are valuable.

Our athletic teams also have their captains and their managers. Here the qualities of Leadership must be shown. It is no easy job to please the crowd all of whom are desiring to participate in different events. They learn the essentials of good sportsmanship and clean living which they will carry into their community lives, and they learn to keep others co-operative and congenial as they work toward athletic success.

Again we have our dramatic club and our musical organizations. In each club as these everyone takes a part. Here one learns to make public appearances and to express himself clearly in character interpretation and through musical talent. He gains poise, dignity, personality and ease before the public. This is very beneficial to him in his active citizenship. The ability of our dramatists and musicians has been shown by the fact that the community has called upon them numerous times throughout the school year for aid in special programs.

Of all the groups in the high school the home room is perhaps the most significant. It is here that the administration and student organizations handle the routine affairs of the school. Here the individual initiative, right habits, and right ideas are developed. Leadership, loyalty and service, all may grow out of this home room period. Here the committees plan their work and here many projects are successfully rounded out.

However we must realize that all cannot be leaders. Always there must be the leader and followers. But those who have the desire and ability to lead have found excellent opportunities to develop such ability here in Salem High. Those in school who are not leaders are not left out of the picture. Many opportunities are provided for those who wish to be good followers. No project may be a success without a group of followers to carry it on. Constantly volunteers are called out for all kinds of committees and a good leader always is able to inspire response. Seldom do any of our projects fail in gaining hearty support, willing cooperation.

There has never been a time in the annals of mankind that the qualities of Leadership and good citizenship are so essential as today because we have entered into a world citizenship. We realize that the training which the student receives in Salem High not only enlarges his world, but provides one of the very best training camps for making him a better world citizen.

Not only does Salem High offer all these opportunities for self development and Leadership but the Alumni Association of Salem High offers an additional impetus in granting scholarships each year to those who prove most worthy as

and health, and also about his leadership.

It is through personality that the individual expresses himself to the world. It determines the part he will play in the drama of life. Personality is more than character. It is character, forcefully expressed. This quality is not always a gift of the gods, but more often an acquired asset. Early youth is recognized as the most important period for personality building. Through varied contact with members of the school in directed activities, each pupil is given the opportunity to cultivate his personality. Through our participation in extra-curricular activities—our clubs, teams, and with projects—we learn to work with people, to cooperate with other students, to succeed in terms of sociability demands this proper development and enlargement of one's personality.

All boys and girls, whatever their future vocations, will necessarily be thrown into contact with other people. They must know how to talk freely and to express themselves effectively. Our ability as conversationalists will play an important part in determining the degree of success we achieve, regardless of our field of endeavor. Our class recitations are conducted in an informal atmosphere so that the students feel free to express their opinions, and they must express them so that they will be clearly understood. We are also given the opportunity to talk with college representatives and business men during our activity periods and this gives us valuable experience in conversational poise.

A special public speaking course is available to any student who wishes to receive higher instruction along this line. A course in dramatics has been added to our curriculum which will enable students to talk with greater ease. In fact, almost any phase of our school life provides opportunities for improving our conversational ability.

Boys and girls have one vocation in common—that of citizenship. Good government is obtained only through the efforts of good citizens; and good citizens are assured only by training for citizenship. A well-organized school is, therefore, simply a miniature of society, and our school has become an organized civic agency—working for the improvement of society by training students to become desirable citizens.

der responsibility. The loyalty, integrity and square dealing demanded by schools train us in the formation of right habits—habits that become our servants, not our masters. High school develops initiative that gives the will to do and the courage to dare, once the opportunity has been found. A wide study of history together with the riches of literature open our eyes to what others have thought and tried to do. From this record of past achievements we gain new aspirations.

The activity of youth harnessed into desirable habits and motivated by these new aspirations gives the power which enables a new generation to excel an old. High schools wish every student to know the joy in a task well done. Every day, in the classroom, on the athletic field, in the orchestra, working on the school paper, there are many times when pupils feel the satisfaction of doing good work, but I can think of no better example than that of thousands of boys and girls who have persevered for four years and are now leaving the high schools all over the country with the feeling that the task set for them has been accomplished.

Another aim of high schools is to train their students to better interpret life so that they may help build a more intelligent civilization. In what better way can they learn to interpret life than through the study of history? From it they get a knowledge of what men have done in the past, how they lived and conducted their social and political lives. Indeed how else can anyone understand present happenings except in the light of past events? The study of history broadens views, gives a background which helps students to become more tolerant, intelligent citizens. Lessons learned from the pages of history constitute a powerful aid to progress.

If the thousands of boys and girls who are graduating have taken advantage of even a small part of what the high schools have offered them, there should be progress. We feel sure all of us have profited from our school experience. Naturally some have gained more than others, but every graduate will become a better and more intelligent citizen for having attended high school.

of cooperation, by working together with his teammates. He also develops the qualities of sportsmanship and mental alertness by which he will benefit in later life.

One cannot participate in competitive games without health. Neither can one be active in community life without good health. The health of the child is guarded by the parents and teachers throughout his school life. In the hygiene class we have learned that the school girl complexion is not a matter of scented soap and cosmetics, but is the result of a sound and properly functioning body. The eyes which so often are called the windows of the soul are also the windows of the body. The tired and unhealthy body cannot have shining eyes. We have also learned that the so-called children's diseases are not necessary ills; for the greater part they are preventable. Because of the after effects of these diseases, we should use all available measures to prevent them. Furthermore, we have learned that the health of our community depends not only upon our sound bodies, but also upon the stamping out of many social diseases. We know, too, that the inmates of many of the mental hospitals of the country are there because they did not know how to protect their own minds and keep them free from worry. So hygiene teaches the individual, that in order to be an efficient citizen, he must guard his own health as well as the health of his neighbor.

It is a well established fact that "all work and no play makes Jack a dull boy". It is for that reason that the instructors in Salem High school endeavor to make the recreation program enjoyable to every student. Play is taught in such a manner that constructive habits of employing leisure time are developed. These habits continue through life and the future citizen knows how to employ his leisure time in recreation that is beneficial to himself and the community.

By means of a well directed health and physical education program, Salem High school offers to the boys and girls of this community the opportunity to develop those qualities which enable them to live most and serve best.

Salem Couple Married At Cumberland

Miss Dorothy E. Hillard and Orlan J. Courtney, Jr., were married Wednesday morning, June 3, at New Cumberland, W. Va., by Rev. D. E. Devitt of the Presbyterian church. It was announced, here today.

Miss Hillard, the daughter of Mr. and Mrs. W. J. Hillard of Washington ave., is a graduate of Salem High school in the class of '35. Mr. Courtney, son of Mr. and Mrs. O. J. Courtney of Ohio ave., is also a graduate of the Salem High school, class of '32 and is employed by the Mullins Manufacturing Corp.

O. E. S. Inspection Plans Under Way

A number of out-of-town lodge officials are expected to attend the annual inspection of Salem chapter No. 334, Order of Eastern Star, at the Masonic temple next Wednesday evening. Mrs. Hazel Reareck, deputy grand matron, will be in charge of the inspection which will follow a dinner at 6 p. m. Reservations should be made with Mrs. Gertrude Stewart by Monday. Salem chapter members have received invitations to the inspection of several other lodges near here. Carroll chapter's inspection will be held June 11, preceded by a dinner served at the Presbyterian church there. Reservations should be made by June 9. The inspection of the Columbian chapter is scheduled for June 16 in the High school auditorium. The dinner will be served in the Presbyterian church. Reservations must be made by June 12.

Women's Missionary Group Convenes

Mrs. E. F. Naragon was in charge of the stewardship service at the meeting of the Women's Missionary society at the Methodist church Thursday afternoon. Rev. H. J. Thompson led the devotion, which were followed by a program in charge of Mrs. Orvil Hoover. Miss Laura Schilling and Mrs. William Cobbs took part in the program which included piano selections by Miss Ann Helm and a piano duet by the Reeves sisters. Miss Ella Beeson and Mrs. Frank Floding served tea after the meeting. Rev. Ira LeVigne of the A. M. E. Zion church was a guest.

Dorcas Society Has Meeting

Following regular business yesterday, members of the Dorcas society of the English Lutheran church, meeting in the church rooms, enjoyed a social hour. Lunch was served by the committee in charge, headed by Mrs. Harry Izenour.

Aid Society Plans Are Discussed

Plans for future activities were discussed by members of the Ladies Aid society of the Baptist church when they met Thursday afternoon at the church for a business session. Definite arrangements are to be completed at a special meeting in the near future. This meeting will be held at the home of Mrs. C. L. Hartsough on North Lincoln ave.

Miss Margaret Miller is ill at the home of her niece, Mrs. Frank Thomas, North Ellsworth ave.

St. Jacob's Mission Unit Entertains

The Women's Missionary society of St. Jacob's Evangelical and Reformed church, south of Salem, entertained the Women's Missionary societies of Grace Reformed church of Columbiana and Mt. Olivet church of North Lima at a coverd dinner and meeting at the St. Jacob's church Thursday afternoon.

The meeting was attended by about 85 members of the three churches. The program in the afternoon, which described the work being done in China by the church, was presented by Mrs. Harvey Shive, Mrs. Ray Klingaman and Mrs. Charles Morlan. In connection with the program, members had an interesting exhibit of Chinese curios which included a beautiful Chinese tea cloth, a wedding gift to Mrs. Klingaman from the sister of Pearl Buck, authoress.

The Women's Missionary society of the church is interested in both home and foreign fields. Mrs. Charles Coppock gave a talk on her work with young people in the Lisbon church. Mrs. Nevin Albright of Lisbon led the devotion. Musical numbers included: Vocal selections, Mrs. Charles Coppock, accompanied by Mrs. Klingaman; piano solo, Miss Bush of North Lima; vocal duet, Mrs. Bartholomew and Mrs. Metzler, accompanied by Miss Fritz, all of Columbiana.

Honor Bride-Elect At Shower

Miss Mary Burke, daughter of Mr. and Mrs. John C. Burke of North Lincoln ave., who will become the bride of Joseph Brian of East Liverpool on June 10, was honored last evening by associates of the Ladies Catholic Benevolent association at a shower at the K. of C. hall. About 75 members and guests were present. Mrs. Esther Odoran entertained with two vocal selections and the evening was spent playing cards. Mrs. William O'Neil was awarded the "500" prize and the euchar trophy went to Mrs. Reasbeck. Miss Marian Judge was winner of the guest prize and Miss Anne McLaughlin, the bridge award. Lunch was served after the cards by Mrs. Burke.

Just Right Club Is Entertained

A delightful social afternoon was enjoyed by members of the Just Right club when they were entertained at the home of Mrs. G. H. Green on East Third st. A lunch was served by the hostess.

Marriage License

A marriage license has been granted at Lisbon to Betty McCombs and Ernest Leatherberry of Wellsville.

Rev. and Mrs. William Boonbright and Miss Rayanette Woodworth of Geneva-on-the-Lake are spending the week with Newton Ingledue and family on R. D. 3. It was their first visit in 20 years. William Ingledue and Rev. Boonbright were close friends more than a score of years ago at Oberlin. Mrs. Boonbright also visited at the George Fryer, Leland Bousler, Charles Ingledue, Paul Phillips and V. H. Jack homes in Leetonia. Miss Betty Jane Ingledue will return with Rev. and Mrs. Boonbright to Geneva-on-the-Lake to spend her vacation.

Mrs. A. Hansell has returned from a week's visit in Pittsburgh with her mother.

Theater Attractions

A re-issue of one of Will Rogers' pictures, perhaps his most popular, "A Connecticut Yankee," has been obtained by the State theater for Friday and Saturday. This story is taken from the satirical, fanciful story, "A Connecticut Yankee in King Arthur's Court," by Mark Twain. Myrna Loy, Maureen O'Sullivan and William Farnum are the principals supporting Rogers.

Rogers Dreams
The plot begins when Rogers, in a dream, goes back to the days of King Arthur. He is just as much confused and surprised by the knights as they are by him, but he gets the upper hand of the situation when he starts showing a little modern magic.

Mary Hickling Is Bride of Leo Ward At Church Rites

Miss Mary Hickling, daughter of Mr. and Mrs. John Hickling of Washington ave., and Leo Ward, son of Mr. and Mrs. Edward Ward of Lisbon were united in marriage at 10 a. m. Thursday at the Episcopal church by Rev. Ian Robertson, pastor.

Miss Hickling wore a gown of white and her corsage was of red roses and sweet peas. Attendants were Miss Gwenn Craig and George Brantingham.

Last evening a wedding supper was served to members of the families at the bride's home. The home and table were made attractive with garden flowers and table decorations were carried out in pink and white.

The couple left later on a trip to Albany, N. Y., and other eastern points. They will be at home to friends after June 15 at their home on Woodland ave. He is employed by the Italy Dairy company here and Mrs. Ward is employed by the Mullins Manufacturing Corp.

Mr. and Mrs. H. L. Kile of Davis, Calif., arrived last evening to visit with Mrs. Kile's sister, Mrs. Helen Miles of South Broadway. On Wednesday of next week Mr. and Mrs. Kile and Mrs. Miles will leave for Northampton, Mass., to attend commencement exercises on June 15 at Smith college. Miss Mary Rebecca Kile, daughter of Mr. and Mrs. Kile and niece of Mrs. Miles, will graduate at that time.

Mrs. Phil Chancellor of East State st. has returned home after a ten days' visit with her daughter, Mrs. H. K. Dewees, in Chicago. She was accompanied on the trip by her sister, Mrs. James Offutt of Greensburg, Pa.

John G. Gibb and Thomas Primm of Damascus spent today in Meadville, Pa., with Mr. Gibb's brother, George Gibb, who has been ill.

BERLIN—It is estimated officially that insects destroy every fifth apple, every tenth grain of wheat, every twelfth bean and every thirteenth potato grown in Germany.

Plant To Open

EAST PALESTINE, June 5—The National Tire & Rubber Corp., idle for several years, which was recently acquired by outside interests, will resume operations next week, it was announced today.

OAK HARBOR — To close Oak Harbor's only night club, after complaints, Mayor O. L. Teagarden dusted off a "blue law ordinance of 1886, prohibiting sale of liquor after midnight.

TULARE, Cal.—Rev. Arthur L. Rice, pastor of the First Congregational church, has just been re-appointed forest ranger in the

Yosemite National park. This makes the fourth consecutive year that he has preferred to pass his annual vacation as a forest ranger.

JUNEAU, Wis. — A Bible published in 1825 was found in a hollow space beneath a cornice board on the roof of William Housler's farm home near here by William Maas, a carpenter repairing the building.

WYOMING, Ia.—There is nothing like a good bicycle to ride to preserve health, in the opinion of Henry Johnson, 75. A justice of the peace, Johnson rides his bicycle to work and back home every day, rain or shine.

Dies of Burns

DELAWARE, June 5—Six-year-old Dorothy Poole was fatally burned when she attempted to cook

pancakes for a younger brother. She died yesterday in a hospital, two days after she was injured.

HOME MAKING HELPS

So, wherever possible, play safe and purchase pre-shrunk materials.

Linens and Cottons

There are linens and cottons, plain and printed, in sailcloth, gingham, damask and crash, all having bindings and welts to match and all guaranteed colorfast and shrinkproof. Draperies and bedspreads of such fabrics are nice for the summer scene. Fabrics are available in delicious colors and color schemes and are most reasonably priced. We were much interested in a heavy cotton woven with a sharkskin dot design in lovely dark colors and guaranteed wrinkle proof, also nice is a heavy terry cloth with stripes in blue or brown. We saw this used as covering a huge soft and comfy chair and it was handsome.

Cretonnes are back again and are offered in new designs as well as some of the old favorite patterns. Cretonne is more expensive than chintz but its strong, close, yet pliable weave makes it a worth while buy. The new flowered cretonnes are enchanting with both designs and color schemes available for every taste.

Before you put on the new slip covers, see to it that the upholstered pieces, get a thorough going over with the vacuum. If possible, have the furniture moth-proofed; otherwise, the pieces should be brushed or vacuumed every month.

DEATHS

MRS. PAUL ZEIGLER
LEETONIA, June 5—Mrs. Edith C. Zeigler, 44, wife of Paul Zeigler, died at 4:30 p. m. Thursday at her home, one mile east of Leetonia in Fairfield township, after three weeks illness of complications.

A daughter of Rev. and Mrs. Isaac Wittmer, she was born at Wakarusa, Ind., on June 27, 1892. Her mother, one brother and two sisters preceded her in death. She was a member of the Leetonia Mennonite church.

Surviving are her husband; two sons, Elwood and Lowell, and two daughters, Miriam and Wilma Mary, at home; her father and a brother, Paul, of Washingtonville.

Funeral service will be conducted at 2:30 p. m. Sunday at the Midway Mennonite church in charge of Rev. S. A. Yoder. Burial will be in Midway cemetery.

WATSON E. STEWART
Watson E. Stewart, 78, died at his home on the Franklin rd., at 6:20 p. m., Thursday of cerebral hemorrhage after five weeks' illness.

He was born in Indiana but spent practically all his life in the vicinity of Salem. He was a member of the Methodist church and Perry grange.

Surviving are his wife, Elizabeth E.; one daughter, Clara C. Stewart at home; two sons, M. Luther at home and John W. of Salem; four grandchildren and one great grandchild; two sisters, Mrs. Emma Cope of Salem and Mrs. Ralph Huston of North Lima.

Funeral service will be held at 3 p. m. Saturday at the Arbaugh funeral home in charge of Rev. H. J. Thompson, pastor of the Methodist church. Burial will be in Grandview cemetery. Friends may call this evening at the funeral home.

MRS. ELIZABETH JONDA
LEETONIA, June 5—The funeral service for Mrs. Elizabeth Jonda, 30, former Leetonia resident, was held at 9 p. m. today in St. Paul's Catholic church in charge of Rev. Fr. T. T. Marchant. Burial was in Calvary cemetery.

Mrs. Jonda, wife of John Jonda, died suddenly Tuesday at her home in Struthers. Death was attributed to a heart attack.

The daughter of Mr. and Mrs. Michael Dubiel, she spent most of her life in Leetonia. Besides her parents she is survived by her husband, a son, three years old, and a daughter, 16 months old; one brother, John, of Columbiana, and two sisters, Mary and Ann.

MRS. JAMES EYSTER
WASHINGTONVILLE, June 5—Mrs. James Eyster, 51, widow of Robert Eyster, died at the Salem City hospital at 9:55 a. m. today of complications.

Mrs. Eyster was born in France on Aug. 3, 1884. She came to the United States with her parents

when a child and had lived in Washingtonville and vicinity ever since.

Surviving are eight sons and five daughters: Mae Eyster of Willoughby, William of Cleveland, Mrs. Valentine Altonore of Leetonia, Robert of Salem, Clifford of the United States navy, Helen, Emma, Hazel, Harry, Raymond, Walter, Eugene and Ralph at home; three grandchildren; Eugene Tourdot of Canton; four sisters, Mrs. Clifford Smith of Canton, Mrs. Chester McCave of Fort Wayne, Ind., Mrs. Ed Lowry of Salem and Mrs. Leon Vignon of Washingtonville.

Funeral arrangements have not been made.

BERKELEY, Cal.—Miss Bobbie Hunt, Santa Cruz freshman, bet she would smoke a cigar if the University of California succeeded in getting a trophy room. She smoked half of the cigar and the remainder will be kept in the new trophy room.

SALT LAKE CITY—University of Utah co-eds have decided to speed up their tennis and the new-est fad is playing the game on roller skates. The girls came in for plenty of spills, but seemed to enjoy it.

PASADENA, Cal.—Bill Keler celebrated his 91st birthday by making the customary contribution to the science of longevity. It is blueberry pie for breakfast every morning for the past 25 years.

THE HOME KITCHEN

By Jeanette Young Norton

Why do recipes go wrong when some people attempt them, while other folks find that the same recipe, if followed faithfully, gives perfect results?

There are good reasons for this, for in cooking, perhaps more than in anything else, things don't just happen. So let's go over some of the possibilities that may be the answer to why recipes sometimes go wrong.

Inaccuracy is surely one of the cardinal reasons. If the kitchen doesn't contain a set of standard measuring cups and spoons, then it is easy to see why things go wrong. Teaspoons, tablespoons and cups are made specifically for table service, therefore they vary tremendously, and are obviously no good for standard measuring.

Of course, some people have an instinctive "feel" for cookery and know just how much of anything is necessary. Others, while they haven't such an instinct, learn to cook by tackling simple things first and by the time they reach intricate dishes they just know what is what. But with most of us it is best to stick to the rules of a recipe

and use the prescribed measurements and amounts. If you think you now know why that cake went wrong, go to the store and invest in a set of measuring spoons and a cup. The newer type aluminum or glass measuring cup has a lip and the edge of the cup extends beyond the one-cup measure. Thus the cup may be used for both dry and liquid mea-

suring as the lip doesn't interfere with correct measuring of any dry ingredients, and yet it makes the pouring of liquids easy.

Next take a look at the size of the pans you use. Are they too large and are they in good condition? Because many recipes specify a "nine-inch pie" or two "eight-inch layers," it is wise to have pans that correspond to the major amounts mentioned in the majority of recipes (get the size, of course, that suits the needs of your

family). Mixing bowls should be large enough to permit thorough mixing, and egg-beaters should be of fair size and good quality if they are to do their job well. A good rotary eggbeater may cost a little more but it is well worth it.

Does your kitchen equipment include one or more long-handled spoons with shallow bowls and large, flat surfaces on the back? Such spoons make for greater ease and speed in mixing cakes.

Jack Laird of Aetna st., arrested by Patrolman James Hasey on charge of driving while intoxicated, pleaded guilty before Mayor George Harroff yesterday and was fined \$100 and costs. Laird's driver's rights were suspended for one year. A. K. Matland, arrested by Officer Nerr Gaunt Thursday on charge of driving on the wrong side of the street when Matland is alleged to have hit a bicyclist on the East State st., paying a fine, was fined \$1 and costs by mayor.

Accidental Death

A verdict of accidental death was returned today by Dr. J. Houser, Mahoning county coroner following an investigation of the death of Dr. Arthur "Wah" Johnson, Indian herb doctor, Hugo, Okla. The Oklahoman died of injuries received when struck by an automobile driven by a Cleveland man on Route 14, five miles north of the city on Wednesday.

Hardware Pushes United Cigars Into Lower Berth In Class A Softball Loop

First Round In Both Class A and B Leagues Will End Tonight; Trinity Lutherans Defeat Columbians in "B" League Game Yesterday

Mullins Foremen may lose out in Class A league softball games this evening, but they'll have the other clubs in the circuit know that it isn't going to happen very often.

The Foremen suffered their first defeat in six games at the hands of the Elks Monday night, but they jumped right back into the victory column yesterday when they administered a 10-7 beating to the "Gas House Gang" in one of the Class A leagues two games at Centennial park.

While limited to eight hits by "Pete" Papoly, "Gas House Gang" earlier from Alliance, the Foremen took advantage of seven of the Gas House errors to bring in runs in every inning but the first. Their biggest scoring spree came in the third and fifth frames when they tallied three and four runs, respectively.

The Elks, who played loose ball throughout the contest, were limited to three runs in the fourth inning after going blank in the first and second frames, and then added scores in the fifth, sixth and seventh frames.

SCORING SPREE FEATURES OPEN

Runyan, Mangrum, Clark Set Pace In National Golf Tourney

(By Associated Press)
 SPRINGFIELD, N. J., June 5.—As the tireless old master, Walter Hagen surveyed the par-busting wreckage of the opening of the 40th national open golf championship, he lapsed into reverie today, recalling his title defense over these same Baltusrol links 21 years ago.

As night has been expected, the 43-year-old wonder was swallowed up in the greatest first round scoring spree in the history of the championship. With Paul Runyan, Ray Mangrum and big Clarence Clark deadlocked with three-under-par 69's for the lead, and no fewer than eleven other shotmakers one or two strokes below par 72.

Five Behind
 But when the twilight settled on the record-breaking bombardment, it still couldn't screen the reflections of the old haig. As matters stand, Hagen, with a creditable 74, is five shots behind the pace-making trio. However, Hagen said it was a great round for him, greater than his opening bid in defense of the title he won in 1914.

The bronzed oldster, who first won the open crown when the birdie trio of today were cooling like birds, pointed with pride to the fact that he reached 15 greens in regulation figures yesterday.

However, the old maestro faced a struggle this show. A stroke off the pace were Johnny Revolta, Henry Picard, the pre-tournament favorite, Vic Ghezzi, 41-year-old Tom Kerrigan, Les Madison and Frank Moore, brother of Terry, St. Louis Cardinal outfielder.

Two Strokes Back
 Wood, Ted Longworth, Ky Laffoon, Johnny Bulla and Harry Cooper. Ten others were notched at par. All told there were 80 players separated by six shots, from 69 to 75.

When Bobby Cruickshank teed-off for his first round a grizzled veteran stepped up and handed him the same golf ball that Jerry Travers used when he holed out to win the 1915 national open at Baltusrol.

Jack Doyle, the betting commissioner, was a worried man. The five players with the most money riding them in his books were Revolta, Picard, Ghezzi, Horton Smith and Gene Sarazen. Smith and Sarazen had 75s but they were far from out of it. Giving a full five-man threat to Doyle's prosperity.

ELIGIBLE LISTS ARE SUBMITTED

County Loop Teams Turn In Playing Squads; 22 On Merchants' Team

Twenty-two players were named today on the eligible list for the Salem Merchants baseball team. The list was turned over to officials of the Columbiana County Baseball league last night by James Reaney, business manager of the team.

Other clubs in the league, Salineville, Lisbon, East Liverpool, East Palestine, Newell, Leetonia and Seaside also submitted their lists last night.

The 22 players named on the Merchants' squad are: Earl Zelle, Steve Zatzko, Gordon Scullion, Al Catlos, Paul Scullion, Nevin Halverstadt, Frank Taubler, Jim Smith, Bob Chappell, Eddie Pukalski, John Pukalski, Mike Sartick, Peter Sartick, Frank Christy, Norman Miller, Erwin Stratton, Walter Miller, Ray Willis, Dan Williamson, Jute Kovach, John Seesan and Arthur "Shorty" Borton.

"Gordy" Scullion and Catlos, who have been attending New River college in West Virginia, are expected to join the club for the game at Salineville Sunday. Both of these players were members of the Merchants' team last year. Scullion is a catcher and second baseman, while Catlos is a third baseman.

The Merchants' players are asked to report at the Memorial building at 12:30 p. m. Sunday to leave for Salineville.

Recently Organized Salem Polo Club Prepares For Strenuous Campaign During Summer Months

Organization Lists Seven Members; Playing Field Located Near Site of Old Salem Fair grounds; First Game Scheduled for Sunday, June 14

"Oh give me a horse, a great big horse!"

This currently popular melody might well serve as the theme song for the Salem Polo club except for the fact that the background of the number is laid in the "wild and woolly" west and the members of the recently organized equine unit can't quite master the "Wa-hoo, Wa-hoo" part.

However, the seven horsemen who compose the club aren't crooning any popular melodies at present, they're singing a much different song—one of intense training and preparation for the polo campaign which they have mapped out for themselves this summer.

Get Workouts
 Since the latter part of March, all of the horses have been sent through daily workouts and have been receiving the needed instruction.

The poloists, well—there's Jim Pidgeon. He's been instrumental in the organization of the club. Pidgeon started playing polo three years ago and has improved rapidly until today he ranks as one of the best players in the district.

A fearless rider and accurate stick wielder, Pidgeon, who has had two years of experience in the game, will be the mainstay of the Salem team.

Then there's Brooke "Pete" Votay, who boasts many years of riding experience and was a teammate of Pidgeon on the Salem-Cantfield polo team last year. Votay was injured in a fall from his horse during a game in 1935, but is back ready for action again.

SALEM JUNIORS DEFEAT LISBON

Gain Second Victory In County Competition At Park Yesterday

The Salem American Legion Juniors chalked up their second victory in Columbiana county competition yesterday when they won out over the Lisbon Juniors, 11-1, at Centennial park. The contests went seven innings.

Paced by the heavy hitting of Pitcher Hyvatin, Center Fielder Schaffer and Second Baseman Bahmiller, of the Salem Juniors scored five runs in the first inning, one in the second, one in the fifth and four in the sixth. The collected 12 hits with Hyvatin getting three, one a home run, Schaffer two and Bahmiller two.

Hyvatin also turned in a fine performance on the mound, limiting the Lisbon Juniors to four hits. The county seat nine scored six runs in the third inning.

The Salem Juniors, who have now won two and lost two in county competition, are scheduled to meet Leetonia in their next contest at 3 p. m. Saturday at Centennial park. One of the local nine's victories was registered over Leetonia earlier in the season.

Johnny Allen Fined \$250 by Steve O'Neill
 BOSTON, June 5.—Pitcher Johnny Allen of the Cleveland Indians was out \$250 today, the indirect result of being knocked out of the box by the Red Sox during Wednesday's game. Manager Steve O'Neill who assessed the penalty, said he was informed that Allen, after the game, jerked a fire extinguisher from the wall of a hotel lobby and hurled it at a hotel employee.

Several of the horses are experienced and have seen considerable action in polo games. Others are now being broken to the game, which, incidentally is one of the major problems facing the poloists. The horses must be taught to follow the ball, neck rein to perfection and become accustomed to the lengthy bamboo stick which swings about their heads. It is not a matter of several weeks to give this instruction, but one of several years. The best of polo ponies begin their instruction when first broken for riding and generally reach their peak at the age of seven or eight years.

LEAD SLIPPERY IN ASSOCIATION

Milwaukee Regains Top Position After Losing It Two Days

(By Associated Press)
 CHICAGO, June 5.—American association clubs are finding the circuit leadership an extremely slippery proposition thus far this season.

Milwaukee, which lost the lead several days ago to Kansas City, regained it yesterday by whipping the Minneapolis Millers 9 to 6 as Kansas City was losing to St. Paul.

Forrest Pressnell, Brewer pitcher, won his eighth straight game. He also decided the game by doubling home the winning runs in the sixth inning.

Kansas City, in dropping a 6 to 2 decision to St. Paul, found Lou Fette entirely too effective on the hill for the Saints. The winning hurler allowed six hits while the Saints were collecting 14.

In night games, Pitcher Bill McGee and Columbus beat Louisville 1 to 0, with the Red Birds getting but seven hits to nine for the Colonels, and Indianapolis scored three runs in the last half of the tenth inning to nose out Toledo, 6 to 6. Toledo opened the extra innings with a two-run burst.

There's Raymond Moff, Willie Smith, Chet Gibbons, Anthony Sheen and Jack Hendricks, who make up this "freshman" class. Hendricks is mainly connected with the club because of his interest in riding. He does not intend to play in the games but will act as referee, a capacity in which he served the Salem-Cantfield team last year and the Shelton Grove outfit in 1934.

All of the members of the club own one horse, while Pidgeon and Gibbons own two. The club itself is an independent organization with no backer.

While the players have been practicing for the past two months, when the weather permitted, they will not have their first scrimmage until Sunday.

The club will play its first game Sunday, June 14, against the Akron Cavalry team at the Fair grounds field. Other games are being booked with outstanding teams from the district.

The field is now being equipped with sideboards so that polo enthusiasts who wish to witness the games may sit in their automobiles while watching the action.

Injury "Jinx" Is Haunting Detroit Tigers as Manager Mickey Cochrane Takes Ill

Series of Tough Breaks Climaxed by Cochrane's Illness Which Struck Yesterday; Red Sox Make It Three Straight Over Indians

By SID FEDER, Associated Press Sports Writer.

An injury "jinx" is doing its best to count the Detroit Tigers out of the pennant chase and wreck the world champions' hopes of hanging onto their honors.

A series of tough breaks, beginning with the loss of the star Tiger hitter, Hank Greenberg, and following up with the removal of the number one pitcher, Schoolboy Rowe, and the outfield slugger, Al Simmons, was climaxed yesterday by an illness which took Manager Mickey Cochrane out of the lineup, suffering from a nerve ailment.

His illness struck him after he had smashed out a homer with the bases loaded to spark the Tigers to an 18-9 victory over the Athletics. The Washington Senators lost their apparent stranglehold on the St. Louis Browns and fell 6-3 in the series finale.

In the rest of the American league, the Boston Red Sox made it three straight over the Cleveland Indians 4 to 3, as Lefty Grove chalked up his eighth win of the season, and the Chicago White Sox handed the New York Yankees their most lopsided walloping of the campaign to date, 16-3.

Cards Lose
 Over in the National league, the St. Louis Cardinals lost 4-3 to the Brooklyn Dodgers, but maintained their three-game league lead as the second place New York Giants were trimmed by Lon Warneke and the Chicago Cubs, 8-5. Cy Blanton pitched the Pirates to a 7-5 win over the Boston Bees, although he failed to last the route, while the Reds sank the Phillies deeper into the cellar 5 to 3.

Cochrane suffered a fainting spell shortly after he belted his homer and left the game immediately afterward. He was helped to the clubhouse where a physician looked him over. He hopes to be back in the lineup in a few days.

Although "old man gloom" had the entire club in the palm of his hand, some measure of cheer came in the world that Rowe is ready to go again, his ailing teeth cured.

YOUNGSTOWNER DEFENDS TITLE

Lewis Seaborn Defending
Doubles Champion In
Ohio Trapshoot

(By Associated Press)
TOLEDO, June 5.—Lewis Seaborn of Youngstown defended his state doubles title in the golden anniversary tournament of the Ohio Trapshooting association here today.

The doubles event provided the first official shooting of the tournament. Ned Lilly of Michigan State college held high run yesterday in a preliminary combination 150-target shoot. He broke 73 targets from the 16-yard mark and 67 from his handicap distance of 24 yards.

George Russell of North Jackson will attempt to retain the handicap laurels in the Toledo Times yardage trophy in another event today.

Lilly's total of 73 at the 16-yard line and his handicap score of 67 from the 24-yard mark gave him 140, just one better than the 139 score of Mark Arie of Champaign, Ill., and B. T. Hughes of West Chester, O., tied for second.

Bill Eldred of Cincinnati broke 75 straight targets from the 16-yard line, but made only 63 from his handicap distance of 25 yards for a total of 138. Joe Heistand of Hillsboro scored 137 and C. A. Young of Springfield, O., 135.

Howard Anthony of Toledo won the other preliminary event yesterday, a 25-target shoot from the 16-yard line, after a shoot-off. He made a perfect score along with Dan Bittinger of Woodville, O., and A. L. Nelson of Detroit.

OLYMPIC CHAMP IN OHIO TRIALS

John Anderson, Winner
of Discus in 1932 Events,
In State AAU Meet

(By Associated Press)
COLUMBUS, June 5.—Entry of John F. Anderson, Olympic discus champion in 1932, assured track fans today of the prospect of some mighty weight-tossing at the Ohio A. A. U. meet here Saturday.

Another Olympic team member entered in the Ohio program, a quarter-final for the 1936 Olympics, as Jack Keller, former Ohio State hurdle star. Anderson will appear under the colors of the New York Athletic club.

Although Coach Larry Snyder of Ohio State university elected to take Jesse Owens, Negro sprinter, and his other standout tracksters to the central colleges at Milwaukee tonight, presence of the remainder of the University track team and a number of out-of-state acts at the local meet was assured.

Among these were Ray Sears of Butler university and Jim Whitaker and Glen Price of Ohio State in the 5,000-meter run; Vince Murphy of Notre Dame and Leo Williams of Muncie, Ind., in the high jump; Dave Rogan of Kentucky U. and George O'Brien of Ohio State in the 800-meter run; and Paul Hulek of Ohio university in the shot putt.

Preliminaries will be run off Saturday morning, with the 24 event card following in the afternoon.

AKRON TIED FOR LEAD IN LEAGUE

Deadlocked With Zanesville for Top Berth In
Mid-Atlantic

(By Associated Press)
COLUMBUS, June 5.—Zanesville and Akron plunged into a league-leading tie in the Mid-Atlantic flag chase today, forcing Dayton and Johnstown, yesterday's top-notchers, into a deadlock for second.

Zanesville won the league's most frantic contest last night from Portsmouth, 26 to 14. Each team used four pitchers who yielded a total of 42 base hits.

Acron downed Charleston, 6 to 1, behind the 5-hit pitching of Xavier Resigno, who struck out 10 batters. Canton's Terriers also fared well due to good flinging, Katz winning a 4 to 1 victory and allowing the Dayton Ducks but three blows. Dayton's Catcher Prost broke his right ankle sliding into second in the sixth inning.

Huntington, in humbling Johnstown, 7 to 1, had Lefty Marvin Quante in fine form. He allowed four hits.

HOME MAKING HELPS

TO AID the household in its complex phases, manufacturers are constantly launching new merchandise and a round of show-rooms and shops is always an inspiration and a pleasure. So, in presenting news of new products and designs, we hope that you will find some article or idea that will answer a long-felt need.

There is a new portable mixer that looks like the answer to a lot of housewife's prayers. This electric marvel squeezes oranges, beats eggs, sharpens knives as well as polishes them, peels potatoes and does just about everything in the kitchen of an eye. Also in the electrical field is an overhead sun-lamp. It is placed in the center of the ceiling, and its heating rays pour down just like the noon-day sun. When a sunbath is not in order, the light is adapted for ordinary use. It is grand for bath-rooms or dressing rooms.

New and useful is a three-way outlet of rubber with suction cups at the base, which, when moistened, hold firmly to a flat surface. Another new notion, for which we offer much thanks, is an importation from England, a heated towel rack.

For the Kitchen

Get a new device, but just a vivid idea which we would like to mention in passing, is a large blackboard to hang on the kitchen wall. Thus orders are written down, the daily schedule, menus, shopping lists and nothing is left to the spoken word or to chance. A nursery blackboard is just about right. This is a notion that is favored in pre-natal establishments and it is just as necessary in a simple household, for all of us are prone to forget things at times.

And talking of the kitchen as we are, what about an extra little radio for the cook, the maid or for you? If there are chores to do that will keep one in the kitchen for some time, there's nothing so likely to lighten monotony or make the time pass so quickly and happily as a radio.

Another good notion is a large filing cabinet for recipes. Use red cards for meat dishes, green cards for vegetables and salads, white cards for starches and yellow cards for desserts. Copy out your favorite recipes on these cards, give each a name and file in its section alphabetically. All this is in line to make housekeeping as simplified and as failure proof as possible.

New Saucepan
Before we leave the kitchen, we want you to know that many shops are featuring a wonderful saucepan. It is of black enamel, lined in stainless steel. It holds the heat marvelously.

For the invalid, for the luxurious or for the just plain lazy there is a new contrivance by which windows shut at the touch of a button that is placed by bed or sofa, or wherever you may want it installed. Flash lights can be attached to a switch and they will blaze away until the hour set for the light to be turned off. This is a home adaptation of a device used by store windows for years, and one for which there should be a demand. Then there is a device that will turn on the radio at the time specified, so that there should be no excuse for missing that special broadcast.

So all in all, hosts of complicated devices are used to make life simpler and decidedly more pleasant.

VIENNA—Drilling freckles out, in the same manner as a dentist drills a tooth, is the latest beauty treatment described here. The treatment, it is said, removes the blemishes without leaving scars.

HANLONTON, Ia.—E. E. Ronglin of Hanlonton let his pennies accumulate for two years, and took them to a bank in Mason City. The deposit totaled 53,000 pennies, and weighed 360 pounds.

MARTINEZ, Cal.—A girl dashed into the county clerk's office with a strange man and a marriage license and asked to be married. The clerk pointed out that the man was not the one named in the license. She said she had changed her mind since obtaining the license, but would like to save \$2. The clerk said she couldn't.

KANSAS CITY, Mo.—A youthful bandit pointed a gun at Herman Erlander, bartender, and ordered: "Stick 'em up." Erlander reached for his own weapon. The bandit and Erlander stood for a moment staring, and with guns trained on each other. Then the bandit turned and ran.

HUMBOLDT, Ia.—Harry Breed, local electrician, likes to trace his relatives. Thus far he has found 35,000. Breed has spent a dozen years tracing his ancestors and living relatives. He has found them in every state in the Union, and traces him family back to 1573.

SALT LAKE CITY—Stirred by the advent of warm weather, transient boys and girls are pouring through this city at the rate of about 150 a week again, relief officials say.

**FINDS ALL-BRAN
BETTER THAN PILLS,
SALTS, AND OILS**

**This Natural Food Relieved
His Constipation***

We quote from his letter: "... So I decided to make a fair trial (of Kellogg's ALL-BRAN), with the result that I felt much improved. I have quit all laxatives since 1929.

"For 34 years, I had to take pills, salts, oils, teas, or other fluids, which did more harm than good. ALL-BRAN now is our breakfast cereal for the whole family."—Mr. Martin Wroblewski, 201 Church Street, Highland Park, Mich.

Meals low in "bulk" often lead to constipation. Kellogg's ALL-BRAN provides generous "bulk" in effective form. This "bulk" absorbs moisture, forms a soft mass, and gently exercises and cleanses the system. ALL-BRAN also furnishes vitamin B and iron.

Two tablespoons daily are usually sufficient. How much better to use this natural food in place of patent medicines.

Use as a cereal with milk or cream, or in cooking. ALL-BRAN is much more effective than part-bran products. It is sold by all grocers. Made by Kellogg in Battle Creek.

*Constipation due to insufficient "bulk" in meals.

KENOSHA, Wis.—The Kenosha retail gasoline dealers' association has taken steps to apply economic sanctions against the drunken driver. It urges enactment of an ordinance prohibiting the sale of gasoline—and possibly other necessary automotive fuel—to intoxicated persons.

THE HOME KITCHEN

By Jeanette Young Norton

WITH WARM weather here, it behooves us to take things as easy as possible without letting down on the quality of the meals we serve. So an occasional day—even a few hours devoted to food preparation is time well spent.

You might find it a good notion to have on hand for scalloped or creamed dishes or creamed soups. Cook enough potatoes or rice for two days. While the rice is still hot put it into a well-buttered large ring mold. Cover with waxed paper and store in refrigerator. Later in the week serve with a chicken stew in the center or with stewed or fresh fruits. Mix four or six cups of flour with the fat, salt and baking powder needed for baking powder biscuit. Enough for a single meal may be moistened as needed and either muffins or biscuits will glorify any meal, especially when served with honey or

preserves and fresh, sweet butter.

Tasty Recipe

Now for a couple of seasonal recipes leading off with a delectable strawberry cream. Heat together three-quarters cup sugar and half-cup hot water and when sugar is melted, boil for five minutes with rind from quarter of an orange. Beat two egg yolks and beat the syrup into them. Wash one pint strawberries, hull them, then crush through potato ricer. Allow to stand in sugar and egg custard for half an hour. Beat the two egg whites until very stiff. Add two tablespoons sugar, then add to strawberry mixture.

Beat one cup whipping cream until thick but not stiff. Combine. Freeze until half frozen, then beat once. For each portion, serve with two pineapple slices cut in half and arranged on a plate with the rounded sides in. Add a mound of the strawberry cream and place a fringe of unbulled berries round the mound of cream.

Pineapple Rings

Now for a batch of frozen pineapple rings. Heat together half cup sugar and one cup hot water. Boil for five minutes after the sugar is melted. Add two teaspoons gelatin that has soaked in quarter cup water, and when melted, cool. Add one No. 2 can crushed pineapple, half cup grapefruit juice, juice of one orange and one lemon and some green coloring. Freeze until about half frozen. Then beat thoroughly and pack in individual ring molds or in narrow ice trays freezing until very hard. Unmold on shredded watercress and fill the centers with fresh fruit. If frozen in freezing tray, unmold, cut into strips then arrange around a mound of fresh fruit salad. Cream cheese balls which have been rolled in finely-chopped nuts, or balls made of cream cheese and Roquefort cheese may be nicely served with this delicious salad.

BUCHAREST—Latest statistics on witchcraft in Rumania show that at least 150,000 persons are engaged in sorcery, fortune-telling, and similar occupations. It is estimated that one in every 100 Rumanians practices "occult" sciences.

Today's Pattern

2665 THIS FROCK IS FOR WARM DAYS

Pattern 2665 Fashion says "sweater frocks." Anne Adams says "simplicity's the thing!" So they've gotten together, these two, and the charming result is this crisp little frock with demurely ruffled accents! You'll wear it constantly from the moment it leaves your needle right through the most sizzling hot days. And if you're wise, you'll make several! So choose some gay fabric; checker board gingham, cool printed percale in a cheery floral print, or geometric design, or dainty dotted swiss, and see if the "Head" of the house won't admire you across the breakfast table. Yoke and panel are all in one, while the sleeves may be flared or puffed.

Pattern 2665 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40. Size 16 takes 3 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name address and style number. Be sure to state size. Order your copy of our Anne Adams summer pattern book today! Learn how to make cool, smart clothes and plenty of them—for home-wear, vacations, parties, play in the sun. See the special designs for stout, the sturdy models for children, the latest frocks for bride and bridesmaids, the summer fabric news. Order this book now! Book fifteen cents. Pattern fifteen cents. Twenty-five cents for both, when ordered together.

LEGAL

LEGAL NOTICE
Sam Washeck, whose last known residence address was Route 1, Box 41, Grafton, West Virginia, and whose place of residence is unknown and cannot be ascertained, will take notice that on the 5th day of April, 1936, the plaintiff, Melissa Ainslie, filed her petition against him in the Court of Common Pleas of Columbiana County, Ohio, the same being case No. 2665 in said Court for the foreclosure of a mortgage lien on certain real estate in said petition described, to-wit:

FIRST TRACT: Situated in the Township of Butler, County of Columbiana and State of Ohio; And known as being a part of the southeast quarter of Section 16, Township 16 and Range 4, beginning at a stone on the east line of said Section 1, chains north of the southeast corner thereof; thence west 20 chains to a stone; thence north 5 chains to a stone; thence east 20 chains to a stone; thence south along east line of said Section 5 chains to the place of beginning, containing 10 acres of land, more or less.

SECOND TRACT: Situated in the Township of Butler, County of Columbiana and State of Ohio; And known as being a part of the southeast quarter of Section 16, Township 16 and Range 4, beginning for the same in the east line of said Section 16 at a point 16 chains north of the southeast corner of said Section; run thence west along the north line of a 32-acre tract now owned by Laura A. Oudean a distance of 10 1/2 chains to a corner; thence north 19 1/2 chains; thence east 10 chains to the place of beginning, containing 2 acres of land, more or less.

THIRD TRACT: Situated in the Township of Butler, County of Columbiana and State of Ohio; And known as being a part of the southeast quarter of Section 16, Township 16 and Range 4, beginning for the same in the east line of said Section 16 at a point 17 chains and 29 1/2 links north of the southeast corner of said Section; run thence west 10 chains and 19 links; thence north 5 chains and 35 links; thence east 10 chains and 19 links but to the section line; thence south with the section line 5 chains and 95 links to the place of beginning, containing 6 acres of land, more or less.

And being the same premises conveyed to John Ainslie et ux, by Warranty Deed of George Balz et ux, dated May 5, 1932 and recorded in Vol. 451 Page 19 of Columbiana County Record of Deeds.

The prayer of said petition is for the foreclosure of said mortgage and the sale of said real estate and for other equitable relief. Said defendant is required to answer said petition on the 12th day of June, 1936, or judgment will be taken against him.

Leetonia Library Valuable Asset To Village Citizens

LEETONIA, June 5.—The Leetonia community library is proving a valuable asset to the village, both from the student standpoint as well as the adult. During the month of May, 754 books were in circulation. The manual training class of the high school presented a magazine rack to the library.

The following persons donated books to the library last month: Miss Mabelle Ballentine, Mrs. Margaret Thullen, Mrs. Harriet Lutz, Miss Clara Mae Houshau, F. R. Narragon. A subscription to "Columbia" was given by the local lodge of Knights of Columbus and is available for reading room use.

Class Holds Picnic
The eighth grade, with the teacher, Mrs. Tillie McNulty, held its picnic at Peace Valley park Wednesday. Games were the pastime, together with boating.

Mrs. M. P. Funnick entertained club associates at her home Wednesday evening. Two tables of bridge were in play. Mrs. Victor Hedl won high score. Mrs. M. E. Sullivan was a guest.

Miss Mary Jane Leeson has returned to her duties at the St. Elizabeth hospital, Youngstown, after visiting her parents, Mr. and Mrs. Joseph Leeson, Sr.

Miss Margaret Mae Blattman, student at Kent State, is vacationing with her parents, Mr. and Mrs. Joseph Blattman.

Birth Announced
Mr. and Mrs. William Gollogram, of Detroit, are the parents of a daughter, born at the Salem City hospital. Mr. and Mrs. Gollogram were former Leetonia residents.

Miss Rose Doerr is visiting relatives at Pittsburgh.

Mary Ruth Riddle, of Washing-

tonville, is visiting her cousins, Paul and Carol Louise Atkinson.

ALAMEDA, Cal.—Research workers of the Federal Writers' Project have just established that Alameda County has more deer than any other metropolitan area in the United States. While no attempt has been made to take a deer census it is estimated that at least 3,500 now exist in the county.

REAL ESTATE

One of Salem's Finest Suburban Homes

This home is known as the Schilling home, which they prize very dearly, but on account of the death of Mr. Schilling and the daughter's leaving they are compelled to sell. It is located about 2 1/2 miles out the Lisbon Road and we can sell from five to eight acres with the dwelling. Four rooms and service room downstairs and four rooms and recreation room upstairs. Large living room with open fireplace. House modern throughout. Also shop and two-car garage. Beautiful lawn and shrubbery; plenty of fruit. Would be an ideal tourist home or tea room and an exceptionally nice residence property. Price complete \$8,500, or will reserve 3 acres and sell five acres at \$7,500 with the buildings. For more particulars, see—

NEWS IN BRIEF

NEW HAVEN, Conn.—John L. Kuhn, Yale freshman, is the possessor of a letter written in 1840 by Timothy Dwight, early president of the university. The letter, which is one of only a half dozen in existence, was found in a parcel of old letters purchased at an auction in a small Connecticut town.

HONOLULU—Utilizing far corners of the earth for its sources of raw materials, a new American industry has started operations here. Seed grown in Mongolia, crushed into oil in California, is made into soap here for island consumption. Sesame oil is the principal ingredient.

SALT LAKE CITY—Myrtle Austin, dean of women at the University of Utah has settled the relative status of men and women in

one respect at least. Addressing an audience of 1,100 freshmen she declared "in many respects men know more about the proper conduct of women that women themselves." The declaration was based on the results of a questionnaire test on social usage.

OTTAWA, Ont.—The Canadian Government has appointed a "social hostess" to help members of Parliament solve their social problems and make visitors to the Capitol "feel at home." She is Mrs. H. S. Beland, widow of a former Senator. Officially, she is known as assistant secretary of the Sergeant-at-Arms.

SALT LAKE CITY—A dreaded disease that compels man to destroy peach trees to prevent its spread has appeared in Utah, David P. Smith, state commissioner of agriculture, said recently. Plant pathologists are helpless to fight it.

SOUTH SAN FRANCISCO—The telephone reunited Harry Jaeger of this city with his sister, Mrs. Kathryn Ganster, Brooklyn, N. Y., for the first time in 38 years. It was

the first personal communication they had had since Jaeger left home in 1898.

CALGARY, Alta.—Bibles cost 2

per cent more in Alberta today than they did a month ago. It is announced that Bibles and books of a religious nature, are subject to Alberta's new 2 per cent sales tax.

NOEL, Mo.—Mrs. W. W. Puckering has sold her collection of pitchers, which was one of the largest in the country. She had 2,069 pitchers from all parts of the world.
